This reflects our commitment to promoting equality and eliminating discrimination as well as fulfilling our statutory duties under legislation.

The council recognises and values the diverse range of talents, skills, experience and perspectives that exist within society and believes that those qualities and attributes should also be reflected within the composition of its workforce, its employment practices and in the planning and delivery of its services.

Central to the council's Equality and Diversity agenda, is the prevention of discrimination, victimisation and harassment against service users and employees on any grounds, but particularly in relation to the following protected characteristics:
