Communication with service users who may be in distress.

General duties related to the running of this service.

To use own initiative and able to work without supervision during shifts, which involve covering Sheltered Housing Complexes between the hours of 16.00hrs and 8.00hrs.

### **JOB ACTIVITIES**

Operate the Social Care Response Service database, PNC6, within the control centre taking calls from stakeholders some of whom may be in distress.

Analyse and assess calls quickly both individually and collectively within the control centre making sound decisions in order to deliver responses to people in need, ie activated smoke detectors, people in distress, people in an emergency situation.

Liaise with other professional staff and carers and where appropriate delegating calls to the appropriate service for action.

Deploy the response team effectively to respond to the calls as they arise ensuring that breaks are allocated as the needs of the service dictates.

Maintain ownership of calls until they are resolved and have a satisfactory outcome.

Report and record any failings of the service both internally and externally.

Work with the services deployed to ensure a high quality of service is provided at all times.

Monitor clients who live in the community by making regular contact by telephone within an agreed timescale for calls received into the system.

Undertake training as required with other departments and service areas to expand and update knowledge of council operations and systems.

Provide training of the data base to new controllers within an agreed training programme.

Ensure Dundee City Council's customer service standards are achieved and promote Dundee City Council in a positive manner

Keep a record of service use and ensure updates of all data input.

Perform associated administrative tasks and procedures.

Carry out reviews of the Social Care Response Service both face to face and in the service users home and also over the phone.

Support carers by giving information, advice and social support on an individual or group basis.

Ensure individuality, personal dignity; wishes and confidentiality of service users are respected at all times.

Participate in team meetings and contribute to the flexible development of the service

Familiarise yourself with the regional operational instructions, policies and objectives

### **SPECIAL CONDITIONS**

Shift work is required this will include early shifts, late shifts and night shift over a 7 day period this will include weekend and public holidays.

### **OTHER DUTIES**

This job description is a broad picture of the post at the date of preparation. It is not an exhaustive list of all possible duties and it is recognised that jobs change and evolve over time. Consequently, this is not a contractual document and the postholder will be required to carry out any other duties to the equivalent level that are necessary to fulfil the purpose of the job.
