Selection Process

IF YOU ARE INVITED FOR INTERVIEW

If you are selected for interview, you will be contacted using the email address you provided on your application. Therefore, it is important that you check your email, or your myjobscotland online account, regularly.

You will have the opportunity online to select an interview time slot that suits you best from a range of options.

We understand that peoples' circumstances can change after they apply for a job so, if invited for interview, we would really appreciate it if you could let us know if you are no longer interested in being considered. If you need to do this, please call 01382 434065 to let us know.

At interview, you should expect to be asked questions that not only test your skills and competence but, very importantly, also test the extent to which you would display the right behaviours and attitude when carrying out the job.

RECRUITMENT AND SELECTION PRE EMPLOYMENT CHECKS

The following sections provide information about the checks we carry out for all candidates we invite to interview and before a preferred candidate is permitted to start work with Dundee City Council. Unless otherwise stated, all checks apply to internal and external candidates.

It is important that you read these sections thoroughly. If you are unable to supply any of the essential information or documents we need, we may not be able to proceed with your application. Please also make sure that you bring all the documents you need to your interview to avoid unnecessary delays in the recruitment process.

RIGHT TO WORK IN THE UK

Employers have a responsibility to ensure that any prospective employee is legally entitled to work in the UK. If you are a British or Irish citizen, you will be required to provide an accepted original document confirming your right to work eg Passport. If you are not a British or Irish citizen you can instead provide a share code or eligible immigration documents. If you do not have any documents or a share code, Dundee City Council can use the Home Office checking service to request confirmation of your right to work status. Please see [Prove your right to work to an employer: Overview - GOV.UK](#) for further information.

Dundee City Council is an approved sponsor for individuals who require sponsorship to work in the UK. Please see [Skilled Worker visa: Overview - GOV.UK](#) for information regarding the Skilled Worker visa and eligibility criteria.

QUALIFICATIONS AND CERTIFICATES

You will be asked to bring original copies of all relevant educational and professional qualifications and memberships to your interview. A copy will be taken for our records. If the original certificate is unavailable, you must obtain a certified copy of the document from the issuing body.

REGISTRATION WITH A REGULATORY BODY

Where registration with an appropriate regulatory body, eg Scottish Social Services Council (SSSC), General Teaching Council, Scotland (GTCS), is required, you will be asked to provide us with your registration certificate.

DRIVING LICENCE

If required, you will be asked to bring proof to your interview that you hold the appropriate driving licence to allow you to carry out the driving duties of the post. A copy will be taken for our records. Where a Certificate of Professional Competence and/or Driver Qualification Card is specified on the person specification, you will also need to provide evidence of the number of hours or periodic training undertaken since issue of the CPC or DQC.

CRIMINAL CONVICTIONS

If you are selected for interview, you will be required to complete a Criminal Convictions Declaration, which gives guidance on previous criminal convictions which require to be disclosed.

We will not discriminate against ex-offenders and, if you have to give details of any previous convictions, this will not automatically prevent you from getting a job. We will consider how previous convictions could affect the job and these will only be taken into account if the offence is relevant to the type of work you would be doing.

CHECKS FOR PREFERRED CANDIDATE ONLY

DISCLOSURE CHECKS

Posts are assessed to determine whether a Disclosure check is required and at what level (basic, standard or enhanced) or whether Protection of Vulnerable Groups Scheme (PVG) membership is appropriate (and whether it is children; protected adults; or both). This is stated in the job advertisement and on the Person Specification. Where posts require a disclosure check or PVG membership, unconditional offers will not be made until the appropriate satisfactory disclosure check is obtained.

REFERENCES

In your application, you are required to provide details of two referees who can provide information about you which is relevant to your application. One of the referees must be your current or most recent employer. Please note, the application will automatically ask for one referee. Please ensure you add a second. If you have no suitable previous employer who is able to provide an employment reference, a reference can be accepted from education establishments where you have been in education, or a character reference can be accepted from a person of 'good standing', eg Minister, Leader of Voluntary Organisation, GP. The Council does not accept references from family members or friends. The Council reserves the right to ask for details of a further referee where we are not satisfied for any reason.

FITNESS FOR THE POST APPLIED FOR

As part of the recruitment and selection process you will be required to complete a medical questionnaire. This will be kept confidential and only viewed by our occupational health provider. In some cases, depending on the situation or the post, you will be required to undergo a medical or statutory health surveillance assessment by our occupational health provider.

OTHER PAID EMPLOYMENT OR BUSINESS ACTIVITY

If you are in paid employment or have a business activity which you wish to continue if you are appointed to this job, the Council will consider whether this would cause a conflict with your contractual responsibilities and will act in accordance with its assessment. This will be discussed with you if you are invited to interview.

Living and Working in Dundee

Ensuring that working age people are in regular employment is a key contribution to building a stronger, sustainable community. We have a clear strategy of developing jobs and helping people who are unemployed.

The opening of the V&A@Dundee attracted tens of thousands of visitors in its first year. This is part of a widely acclaimed vision for the Dundee Waterfront and builds on the city's growing reputation for cultural and new media sector jobs, most recently recognised by the city securing UNESCO status as the country's only "City of Design". Dundee's economic development is significantly influenced by the digital media, academic and science sectors. With two universities and a large regional college, Dundee has one of the highest proportions of students in the UK, which is a major opportunity to create business growth. This provides a strong economic development opportunity for the city to match the peoples' skills to opportunities.

The employability pipeline approach aims to help people who are long term unemployed back into work and also support young people. The Council works with its public sector partners to adopt new approaches to taking on more modern apprentices and engaging with work placement schemes. We are also addressing employment issues through the corporate procurement strategy, a way of ensuring that there are community benefits from public sector spend in Dundee resulting in targeted local employment and skills development.

The population in Dundee is expected to increase by 6.5% to 153,697 by 2035. This increase is across all age groups and is the first set of projections in many years to predict a population increase in the city. For years Dundee sought to reverse population decline and this may be a sign that the long term strategy for jobs for the city is turning the corner and strengthening its economic role.

The City Plan for Dundee 2017-2026 outlines our vision for Dundee and the strategic priorities for the City which are Fair Work and Enterprise, Children and Families, Health, Care and Wellbeing, Community Safety and Justice, and Building Strong and Empowered Communities. It also explains what we are going to achieve and sets out ambitious but realistic targets.

The Council Plan for 2017-2022 sets out how we as a local authority will play our part in achieving the vision set out in the City Plan. The plan details the Council's vision and values, offers a strategic overview looking at the challenges facing the city and how we plan to deliver strategic priorities.

To help deliver on the priorities set out in the Council Plan and City Plan the Council's Digital Strategy will introduce new tools to deliver efficiencies and improved outcomes. The Strategy has a vision to:

- Deliver for our citizens by providing them with greater digital choice and efficiencies in service through digital optimisation;
- Unite the city through innovation and smart city infrastructure and;
- Improve the day to day lives of our citizens by using digital technologies to enhance the inclusion, health and wellbeing of all in the city.
